| 5  | Finish section 6 in SAD, implement add/remove, increase quantity feature item for cart.                                    | 04/08/2024 | TDBinh         | 100       |

## 2. Issues and impacts:

Impacts:

- Completed registration page and logic improves user experience
- Revised documentation enhances project alignment
- Implemented product info retrieval advances backend functionality

- 100% task completion rate indicates high productivity

#### Issues:

- No major setbacks reported, suggesting effective teamwork
- Next week's goals appear outdated, potentially causing confusion or reduced momentum
- Lack of new challenges may slow project progress
